

# CELL Big Local Community Transport Scheme.

## Community Card Membership Application Form.

Transport regulations require that anyone using the CELL BigLocal community transport services must be a member of the associated club and must show their Community Membership card to the bus driver as they board. This form allows you to apply for this membership card. You must have an address within the four villages to obtain a card. You may also apply for membership via the CELL-BigLocal web site. Your card will be sent to the collection point chosen below, normally within one week of receiving your application.

If your original card has expired you will be required to complete a renewal application before you leave the bus but you may then use your original card until your new card is delivered to the collection point chosen below.
